

## \* IMPORTANT CORRECTION \*

After careful consideration the East Buffalo Township Police Department has made a recommendation to the Lewisburg Area School District to reverse the direction of the One-Way traffic in the D. H. Eichhorn Middle School gym parking lot. The flow of traffic should now run counter-clockwise, entering on the west side of the lot (by the gym) and exiting to the east (by Linntown School). This will reduce the number of students who are being dropped off or picked up from having to cross a lane of traffic in order to exit or enter their parent's vehicle. We apologize for any confusion this may have caused and we certainly appreciate your cooperation. The parking lot will be clearly marked to make this transition easier for all. Thank you.

### PICKING UP AND DROPPING OFF STUDENTS

If you are picking up or dropping off a child at the beginning or end of a school day, please use the gym parking lot. PLEASE NOTE the parking lot will be marked as ONE WAY. Traffic will only be able to enter the lot at the DHE Middle School (WEST) entrance from Washington Avenue. Please stay to the outer perimeter of the parking lot turning left just before the old bus platform (please do not cross the bus platform barrier to the back lot) and turning left again in front of Linntown School. This will create a loop of traffic. Please drop off your child in front of the gym and ask your child to walk around the front of the building to the main school entrance by the cafeteria. After dropping off your child, you may leave the parking lot by the Linntown School (East) exit to Washington Avenue. Please pick up your children in the same fashion – they will walk to the side of the building to find you. When picking up your child after school please pull up to the end of the bus platform (by Linntown School) to wait for your child and please remain in single file. PLEASE BE CAREFUL NOT TO BLOCK BUS TRAFFIC ON WASHINGTON AVENUE.

Parents may use the front of the building for late drop off and early dismissal, as well as for after-school events.
